b. Boards

– Sewer Authority – Met August 21, 2025. Approved on-call policy for staff. Spent time discussing an issue with Clear Lake being under-billed due to their under-reporting of flows to the plant. The issue has now been resolved, and procedures have been implemented to prevent recurrence. City of Clear Lake and Sewer Authority Board are still discussing how to address the funding shortfall.

– Fire Relief Board – Meets September 24, 2025.

– Planning Commission – Met August 18, 2025 to review the two development projects that were on the agenda earlier.

– EDA – Meets next week.

– Park Commission – Did not meet.

c. Staff

– Smythe reported the following:

- Court hearing for condemnation of 430 Main Street is scheduled for September 19.
- Seal coating of the County Road 75 trail has been completed.
- The special primary election went smoothly.
- Staff learned that the splash pad company works with installers who are approved under state bid, so we do not have to publicly bid the project. A quote was just received and will be reviewed later this week.

– Kannas reported the following:

- The Spring Street stormwater project is mostly done. There is still seeding and street sweeping to finish.
- MnDot will be placing raised crosswalks on the T.H. 24 project at places where there are two traffic lanes. They had safety concerns about placing bolts for flashing beacons without the actual beacons attached.

- Smythe noted that MnDot asked about “noise ordinance” signs being replaced. Members would like them replaced.
- Kannas noted MnDot had also asked about placing crosswalks on Smith Street and Nelson Drive, with city responsible to maintain. Members clarified that these would be on the frontage roads, not crossing T.H. 24. Members would like these crosswalks added.
- Smythe reminder Members of the upcoming MnDot open house and clean-up day. Lawrence stated she is not available for clean-up day. Schwinghammer will attend. Senn and Everett both need to check schedules and will let staff know.
