Public Notice of Service Line Materials Inventory

The City of Clearwater has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact The City of Clearwater City Hall at 320-558-2428. To complete the MDH service line inventory our system conducted a visual inspection of all the water service lines. During September, 2024 we completed an inventory of our water service lines. As of September 2024, our inventory contains 0 lead, 0 galvanized requiring replacement, 0 unknown material, and 725 non-lead service lines.
